SURVEYOR'S STATEMENT

This is to certify that we have, during March, 2011, by the order of Robertson Design Group, executed a right-of-way and topographic survey of King Avenue as shown herein in accordance with the current minimum standards for property boundary surveys of the Missouri Department of Natural Resources, division of geology and Land Survey, and that the result of said survey is shown on this plat. We certify that the above plat was made from an actual survey according to the records available and recorded.
